O R D E R:

In the references 1st read above, the Commissioner of Industries, Hyderabad has stated that, the Telangana Engineering Graduates Industrial Promotion Officers (IPOs) Association has represented that, they were appointed in 1993 as Industrial Promotion Officers (IPOs) and already availed (3) Automatic Advancement Increments viz., 6/12/18 years increment on completion of service and reached the scale of Assistant Director / Deputy Director without changing their designation. In other words due to lack of promotions they are still continuing as Industrial Promotion Officers, even after completion of 23 years of service in the same cadre. Hence, they have requested to consider their case sympathetically and consider for promotion as Assistant Directors, those who are completed 20 years of service, by way of creating supernumerary posts (or) by upgrading the Industrial Promotion Officer post to that of Assistant Director (or) to promote and utilise their services as Escort officers under TS-iPASS in Major Industries, SEZs., / IALAs, of TSIIC and Assistant Managers in TSTPC.

2. The Commissioner of Industries, Hyderabad has further stated that, there are total (21) Industrial Promotion Officers, appointed from 1993 batch and 1997 batch, out of which (3) were unauthorised absence. As such, (18) Industrial Promotion Officers, are working at present. The total sanctioned posts of Asst. Directors are (26) and (2) supernumerary posts were created, whereas, the working strength of Assistant Directors including deputation posts is (38). The Industrial Promotion officers are directly recruited by the public service commission with engineering graduation / diploma in engineering with 3 years experience and their next promotion post is Assistant Director. In the present situation, the 18 Industrial Promotion Officers did not get promotion even after putting in around 20 years of service (more than 23 years in the most of the cases) as most of the higher posts are occupied by persons of the same age group resulting in very little scope for arising vacancies. The Commissioner of Industries, Hyderabad has therefore, requested the Government to take a view on the request of the Industrial Promotion Officers, for consideration of promotions by way of creating supernumerary posts in the cadre of Assistant Director.

3. In the reference 4th read above, the Finance (HRM.I) Department has accorded sanction for up-gradation of (18) posts in the category of Industrial Promotion Officer (IPO) to that of Assistant Directors in the scale of Rs. 40270 – 93780, in the Commissioner-ate of Industries by suppressing an equal number of posts in the former category.

4. After careful examination of the matter in consultation with the competent authority, the Government hereby decided to distribute (18) posts of Assistant Directors in Commissionerate of Industries, which are upgraded by suppressing an equal number of posts of Industrial Promotion Officer (IPO), as detailed in the annexure to this order, subject to final reorganisation of districts & subsequent allocations.

(P.T.O)
